“ Dear Tina, Kathy, Jen, & family,
I have many wonderful memories of chatting with Gram over the years. She always had such a warm and welcoming spirit, but I particularly loved her hearty laugh & great sense of humor!! I still cherish the fond memories of visiting in summers in Wildwood Crest too.
Love and prayers to you all,
Tricia Sweet & family

“ Although our time was short together, my heart hurts that you are gone I couldn't wait for you to come home and tell me all about your ordeal at the hospital and rehab. I'm still in shock that I won't see you anymore.
Kathy & Family: Thank you so much for welcoming me in your home to take care of your mom. She was a pleasure. I loved sitting there listening to all the stories of the past and how much she loved her family. She and I laughed a lot and enjoyed our time together. I swore I'd have her legs healed and have her walking in no time so we could enjoy the Spring air on a nice day and go for a walk. She was very special to me. Your family is incredible and I feel Blessed to have been a part of Judy's life and your family's. I pray for Peace and Comfort for you all. And may she RIP.

“ Tina, Kathy and Jen, I am so sorry for your loss. My family and I will always have fond memories of Judy as she was a huge part of our family. Truly a great lady! She always had a smile on her face. Cheese and crackers!

“ I will always remember Aunt Judy. She was funny, sweet and would always say " cheese and crackers" when something would go wrong instead of cursing. Big hugs to Tina and Kathy.

“ Just a nice lady who always had an open door and a friendly smile. I hope she has found 'Uncle Bob" again. You have lost a mother, but we share your grief because we lost a friend. Peace be with her.

“ My condolences to you Tina ,Kathy and Massa family. Many great memories of aunt Judy coming to our house to visit my mom. They would either stay here all day ,or get in the car and off they would go. My guess shopping or casino 's . Lol Great times will be missed.
