“ We wanted to remember Mrs. Knopka on what would have been her 82nd birthday. We wanted to remember all of the laughter and tears we shared from my childhood up until this past year when she called to tell us goodbye for what would be the last time. Wanted to thank her for all of life's lessons that we were able to navigate together. In the end I was happy to call her, not just my friends mother, but a friend to both me and Joe.
I will miss our visits when we come back and drive through the Terrace.
Things just won't be the same in the old neighborhood. Thanks for a lifetime of memories and support!
Your friends,
Bill & Joe

Cassy was a classmate at St. Agnes school. She was fun to be with. I only visited once since we both married, but we still laughed about our fun times. I remember she had 3 children, please accept my condolences. Cassy's friend from 3rd grade Fran Monzo DiPrimio

So sorry to hear about Aunt Catherine's loss. My sister Debbie and I came to see her for the second time right before Christmas and she gave us a lot of old photos that you have to use a project a projector for. It was the second time that I've seen her since I probably was a baby I never realized how much she loved and cared for me and she's up there with with cousin Chrissy now she's at peace and no more pain and suffering. Love and miss you and Kathy and cousin Chrissy hope you dance in heaven together with our mother as well and our grandparents
