“ It was a sad day to hear of the loss of Claire. A mother, daughter, sibling, aunt and friend. It's been over 50yrs that my brother John has passed away and Claire was his first and only Love of his life. A few years ago my phone rang and the person said do you know who this is ? I said I do. It's Claire. My eyes filled with tears and we talked as if it was 1968. After hanging up I called my family-all of them. They were all so happy to hear that Claire reached out. I share this with you all because Claire was always a part of our lives.

Your memory will live on in my heart.

“ Claire was the most kind and loving soul I ever met. She is one of those people that at the sound of her name...your heart just smiles. Heaven just hit the jackpot while those who loved her will grieve. May God bless you, Claire, and give you the rewards you certainly earned here on Earth. I love you and will always be grateful for your friendship!

“ Claire was the sweetest, most supportive, positive person. We talked about the day we could get together for lunch, talk about the old days. I'm so sad that day will not come for us. She was such fun to talk politics with, she loved it, so smart, knew everything that was going on. Proud conservative woman. I will miss her...until we meet again dear friend!

“ Condolences to Claire's family. I worked with her at Prudential when we were just teens turning 20! She made me laugh & we spent many nights clubbing & dancing after long days Underwriting at " The Rock". When I turned 21, she got drunk for me since I didn't drink! She was a smart lady & I'm sorry we lost touch after I married. Will remember her with only good memories. I hope she found happiness in life.....but since she had a dog, at least I know she had love. See ya on the other side, " Labo".

“ Claire was the beloved mother of my boyfriend, Alex J. Pettigrew. Ms. Pettigrew was one of the kindest, bravest and most amazing persons I have ever known. Claire, Alex loves you so much and so do I. I know you are safely home in the care of the Lord.

“ I met Claire in High School, we always had the same Home Room because of our last names. From the moment I met her she was always a supportive, kind, and loving classmate. Throughout the years she showed me she was a hardworking employee, devoted mother, and a person who tackled any problems that she faced, head-on always showing determination to overcome all odds. Claire was a special person who will be missed by many.

“ Claire was a huge part of my childhood memories. St. Ray's choir, volleyball, grade school, high school. My thoughts are those times would never end. We all touched each other's lives and it was so special. Claire always had a welcoming smile and a gentle soul. You will always be remembered that way. God bless her and comfort her son, mother, sister and family. You will be missed. RIP

“ So very sorry for the loss of Clair. I remember seeing Clair and friends walking down Provident St on Saturdays while I was cutting grass. Such a nice memory. I also admired Clair's involvement with various organizations at St. Raymond's. My condolences to Carole and the Pettigrew Family.
