“ What can I say? Aunt Mena was my favorite! So many family birthdays and parties that we shared. I can still visualize every detail of their house. It was absolutely wonderful growing up at the other end of the block!! Things will never be the same.

Love and miss you terribly,  
Susan

“ Greg and I are so sorry for the loss of your mom and grandmom. She was such a lovely lady who was always so kind and never without a smile on her face. I hope you can comfort in knowing she is in the presence of Jesus and reunited with your dad and Rita!  
Love to all of you,

“ Aunt Mena always had a positive outlook on life which touched everyone in her family. For me growing up, she often gave very insightful advice on relationships. I have many fond memories of our families sitting around the dining room table eating her delicious cooking.  
Rest In Peace, Aunt Mena.  
Love, Linda

“ My sister and I shared many happy and funny times together. We had decided we wanted to take sowing lessons which we did at Southern High School. We did more laughing than we learned how to sow. She was my go to person when I had a problem also she was the big sister but she would wait for me to try something new first and then she would follow.

I will miss her terribly. Love always, Rita.

“ My family moved away from Philadelphia when I was young so I did not see Aunt Mena often. But, my memories of her are that she ALWAYS had a smile on her face and would make me laugh even when she wasn't trying to. She was a loving, caring, and warm person. Rest in peace Aunt Mena!
