“ Helen was a remarkable, vivacious soul whose presence is missed, and she lives on through all whose lives she touched. To her family, please take comfort that she is not really gone from your lives, she's just transitioned from the physical universe to the spiritual. She will always be just around the corner until you all are enjoined again.

“ My sincere sympathy to CarolAnn and family in the loss of their beautiful, guiding, and loving soul. I feel truly blessed to have known Helen and to have had the pleasure to share special moments in my mom's and dad's , Harold and Hazel Littman, as well as mine and my late husband's, Bud's, life. She was always part of our family in Blackwood and my parents dearest friend. My love and prayers to all her family and may God's grace help support you in your time of grief. Linda Pruitt

“ On behalf of us, Charles & Nancy Littman we wish to send our heartfelt sympathies to Helen's greater family, friends and fellow working associates. Helen was my late mother & dad's closest & dearest life long friend Col Harold & Hazel Littman. I know her children and grand children have lost a most important founding family member that can be replaced. She is now in peace in God's hands and care. Helen you most certainly were a blessed memory to all of us that were lucky to have know you. Chuck, Nancy, David and Michael and families. May God bless.
