“ Twelve weeks ago today we were just living a routine life. We both were looking forward to a weekend caring for Caroline. We were so happy.... Then, we got up on Thursday Morning, and went about our busy day. We enjoyed a sandwich together at lunch before I had to run off to the doctor... I still cannot fathom what happened next. I was greeted by several police cars in front of the house and the words: "Henry has been transported to Kennedy hospital in extreme critical condition".... I didn't grasp the situation... I pulled out and headed for the hospital where, with Paul, Bridget & Caroline we waited to see you. We still didn't realize you were leaving us forever. Fr. Renee came and annointed you, gave you absolution and the waiting began. By 9:40 PM you were gone.

Thank you for 36 years of love and caring. Thank you for being a good husband, father and wonderfully delighted "Grandpop". We miss you and will never forget your love. God bless you, My "Stripe" and hold you in the palm of HIs hand. Love Your Yellow.

“ Tonight (Thursday, October 12, 2017) at 9:40 I had to say goodbye to my best friend. Hank has walked with me as my partner in life for 36 years. We celebrated our son, "daughter" Bridget & Caroline together... Mac was his best buddy, and while taking him for his daily walk, Hank had a heart attack just as he arrived at our fence. The doctors worked hard to save him, but I believe God had other plans. Paul, Bridget & I feel we have lost a gentle, loving giant who has always been at our sides. Please pray for us as we face the days ahead. Thank you.

“ I will always remember the smile and humor that Duke displayed 99% in greeting him.  
He was a great classmate, and I'm sorry to hear of his passing. We will join him eventually on the other side in heaven.
