

## John G. Blyzniuk

January 8, 1964 - October 8, 2019

John Gerard Blyzniuk, of Turnersville, NJ and North Wildwood, NJ, passed away on October 8, 2019 at the age of 55 years. Predeceased by his loving parents, Michael Blyzniuk and Mary Blyzniuk (nee Costello). Beloved husband of Carolyn Blyzniuk (nee Merriam). Loving father of John Blyzniuk (Michelle) of Sewell, NJ and Ryan Blyzniuk of Turnersville, NJ. Proud grandfather of Michael, Kaylee, and Karina. Dear brother of Mimi Doyne (Dennis) of Philadelphia, PA, Michele Tanghe (James) of Bensalem, PA, Patrice Blancuzzi (the late Michael) of Philadelphia, PA, Joette Ruk (Michael) of Philadelphia, PA, Michael Blyzniuk (Jeong Sun) of State College, Pa, and Gerae Blyzniuk of Philadelphia, PA. John is also survived by his beloved puppy, Hartley Kringle, as well as numerous nieces and nephews.

John, or “Johnnycakes” as his mom called him, was a proud graduate of the North Catholic class of 1982 in Philadelphia, PA. He met his wife, Carolyn, while working at the Burger King at “K&A”. They were together for 39 years and married for 31. John loved sitting on the porch of his shore house in North Wildwood, that he just renovated with his wife and sons, and sitting on the beach with his feet in the water. He enjoyed spending time with his children, grandchildren, and family. He loved telling stories and his “therapy” trips to Walmart. John was a devoted listener of the Preston & Steve show. He loved his “Jim Dandy” at Friendly’s and never turned down a donut!

John had a long career as a respiratory therapist, working for many hospitals, most recently for Virtua Hospital, Marlton, NJ. John was very grateful to his family, friends, and Johns Hopkins family, for their love and support throughout his recent fight with pancreatic cancer. John passed with his family and beloved pup, Hartley, by his side at home.

“ I met John when I hired him many years ago. We instantly hit it off because we both had the same sense of humor but took our work seriously. He was a tremendous person to have by my side and he made my life better at a very chaotic time. We actually graduated from North Catholic together but never met until years later. A really great guy! I'm so sorry for this terrible loss. Jack Marcelis

“ I worked with John at Taylor Hospital for many years. Loved his dry sense of humor and his leadership on his shift. He was dedicated to the patients he served and our profession. I didn't know he was sick and I will miss catching up with him. I remember when the grandkids were born. He was so young but how excited he was. He told the best stories and had the best chuckle. The world is a bit dimmer now without John in it. Prayers for the love of his life, who he talked about all the time and his family.

“ My sympathy to Carolyn, John and Ryan along with all the grandkids for the loss of John. John was my manager for many years at Kindred (Vencor) Hospital and he would help out in so many ways, either with patient care or getting the department what we needed. I still remember New Year's Eve 1999 when John and many other managers stayed overnight just in case there was a Y2K problem with the computers. May his memory be a blessing to all who knew John.

“ So very sorry to hear this news today. John and I worked together at Taylor and he was by far one of the best Respiratory Therapists that I knew. He was strictly by the book and I learned so much from him. He was also a good friend. We shared many stories and he was a great support to me when I needed it. Prayers to his entire family and his wife Carolyn. May he rest easy.
