“ Dear Rachel,
I said that I wasn't going to do this but after tonight and seeing your beautiful face I needed to say a few things. I have totally enjoyed the last 25 years that I have know you and I thank you for giving me the pleasure of knowing you. You are a wonderful person. You left us at an early age but I guess God had different plans for you. Maybe your Mom was getting lonely and wanted you with her. You are in such a wonderful place now. You are with the greatest father of all. I miss your mom so much and I will continue to miss you also. Knowing that you are up in heaven with her does put some joy in my heart. I know of the struggle, heartbreack, loneliness and everything in between. When you don't have to worry about that my dear friend. You are going to enjoy the place where you are now and know nothing but happiness, love, joy and like I said your are with your heavenly father. And of course your mom. Please tell her that I miss her so much and often think of her. We also will meet again some day. (not too soon tho) I still have alot of work to do here. God needed another angel and found you. I will always miss you and love you. You always said that I was your second mother. Please know that you have a wonderful family, and especially friends that love you very much. Until we meet again. God Speed...

“ Although I only met you a few times at my sister Barbs home , you were always kind & thoughtful. May the lord now hold you in his hands, I will be seeing your footprints in the sand , and pick up a shell for you. It will be empty , the lord has you now. Forever peace young lady, you will be missed.

“ Ash -
I am so sorry to hear about Rachel! All I can see in my mind is Rachel & Sparky getting on the bus to go to Holy Savior. I don't know if you knew I spoke to her after your Dad passed. I sincerely hope she is a peace. I would like to come to the service if it is alright with you and you could let me know when it is. You are all in my prayers.
