

## Robert K. McGinley, Sr.

March 3, 1937 - February 11, 2018

Robert K. McGinley, Sr., affectionately known as “Pop”, of Williamstown, NJ, left this world on February 11, 2018, at the age of 80, to be with his wife, Doris McGinley, and parents, Walter and Mary Ann McGinley, in Heaven. He is survived by his daughter Donna VanDexter (nee McGinley), and her husband Richard of Williamstown NJ. His son Robert McGinley, Jr. and his wife Carol of Mt. Pleasant, SC. Grandchildren Jennifer, Ricky and Kimmy. Great grandchildren Jimmy, Jackson, Briana and Dominic.

Pop was a truck driver for most of his life and enjoyed traveling the country in his truck. He also liked to drag race cars, fish and play Texas hold em poker. His later life was his love for his grandchildren and great-grand children. They drove him nuts and he didn't take any stuff from them but he loved them with all his heart. He was our caretaker of animals when we would go on vacation or to work and he adored them all.

Please celebrate his life with us at his viewing Thursday, February 15th, 2018 from 7:00 PM to 8:30 PM at Earle Funeral Home, 122 W. Church St., Blackwood, NJ 08012 where a funeral service will immediately follow. Cremation will be private. We ask that nobody wears a suit and tie or fancy dress. Pop was a simple man and did not wear these things. Please wear jeans and whatever else you want as we all will. If you want to wear a suit go ahead but no tie please. In lieu of flowers a donation in his name would be appreciated to the American Cancer Society, P.O. Box 22478, Oklahoma City, OK 73123, or at <http://www.donate.org> . Condolences may be shared at <http://www.earlefuneralhome.com>

“ One of my memories with my pop is when my grandmom, my pop and I would play pinochle in there old house and just enjoy eachother.. it took my awhile to learn but once I knew how to play I was pretty good.. I would go there almost every weekend and play with them and my grandmom would make us a sandwhich.. my pop would eat noodles with ketchup instead.. he was weird lol but I loved him for it.. I will miss him

“ Pop will be missed greatly and never forgotten. One of Many great memories I have with pop is for the first time in my life he took me and his granddaughter Jennifer to work with him. I was so excited because he drove a big rig truck. You know the ones that have the bed in the back and some of them have toilets on them. And I thought that that was the coolest thing ever. Jen an I, spent the night over Mom and Pop's house packed our lunches and snacks, couldn't sleep all night cuz we were excited. Woke up extremely early and headed out on the road. We took turns on who was going to sit in the front with pop listen to music, shared stories, and when we passed other big rig trucks we put our arm up and pulled it down, for them to beat their horn. It was a memorable fun day. A day that, I will never forget. Lots of love Danielle Adkins
