“ Moose there was never a dull moment when you were at the firehouse! I remember you from as early as my teenage years as a volunteer at the firehouse, you always spoke your mind and made everyone laugh! It was also a pleasure work at the firehouse and eat lunch with many times and of course you always had your heritage hoagies! Your definitely going to be missed and not forgotten! RIP Moose!

“ Condolences to the Ponto family. God bless him and may He rest in peace. Ron took me to the Senior Prom 1960. The reason he asked me was because I was the only girl who could eat as much as him and he wanted to get his monies worth. Then to top it off when we got back to my house our dog got loose (a german sheppard) and I couldn't get out of the car. My father was the only one that could handle the dog so we stayed in the car till someone woke up. No cell phones back then. We laughed about that night for years.
