“ One day my brother Tommy and I took my brother John "Jay" fishing on Cooper River in Collingswood..... 3 of us in a small plastic canoe with with a lot of fishing hooks on a river at dusk.....a couple of beersYou see where I am going with this!

The next thing I know I have a large Red Pine Bat on my fishing line, I reeled it in and when I tried to get it off the hook I lost control of the bat and it ended up in my brothers face. Needless to say my brother Jay was not a happy camper. It was one of the funniest things a ever sawMy Brothers new nicknameyou guess it...Batman. Jay may you have many more stories to create in your new place. Love ya your brother Eric, P.s. No fish just Bats
