“ I have known Shirley Slaven my entire life. She was like a second mother to me growing up. Hit me hard when Carol told me she had passed. She was a great neighbor & friend to my parents for over 50 years. End of an era. I have so many fond memories growing up with Gary, Warren & Carol. We had a great childhood on Charles Street & Shirley used to pull us around on our sleds when it snowed. She used to let me come over & swim in the pool & climb trees in the backyard. When I had my family, she was always interested in seeing & talking to my children when we visited my parents. I will miss her smiling face & those beautiful blue eyes. I'm sorry that I could not be there for her services but my heart was there. My deepest sympathy & love to the Slaven family, Diane Cunard Potter, Chris Potter & Devin Potter.

“ I've known Shirley for as long as I can remember. She was a dedicated and close friend to my mom through years upon years and a kind, loving support to her and myself when my mom took ill and was failing. She was a true testimony of the love of Christ being spilled out. She was always kind and caring and I can still see her beautiful, sparkling blue eyes. My prayers are with the family.

“ Shirley was my mother's longest, closest, and most steadfast friend. I can't imagine how I would have managed during my mother's last days without her.

God Bless her family for having taken such good care of her.

“ Shirley was my first cousin, and like her beautiful mother, my Aunt Jean, first and foremost she was a lady. Always cheerful, always exuding kindness and a wonderful sense of humor. Thank you to ALL of you New Jersey relatives (especially Carol and Michael for the special care in their home) for loving Shirley and making sure she was comfortable. She was blessed to have you.

With sympathy for your loss,
Cousin "Ginger" in California
