“ Dear Karen,
I knew as soon as I saw it was you calling yesterday morning that Walt had passed. Even when you know that is going to be the outcome, you still hope and pray he will overcome it. You and Walt had a great life together with lots and lots of great, happy, memories. May those memories help you get through the next few days, weeks, months, however long it takes, he will always be in your heart.
We enjoyed our group birthday dinners at The Library with you and Walt, Michele and Mark. It was always a fun night! It's a shame we couldn't get to do that more this year.
Walt was a very smart man. My mom once told me to never play Trivial Pursuit with him, he'll "beat the pants off you", she said! I think we may have played every game but that one! lol
Walt will be dearly missed by all who knew him. He was such a nice guy.
You are in our thoughts and prayers. I plan to stay in touch with you, having lunch when we can...I enjoyed those days.
If there's anything you need, please don't hesitate to call!
Love you! Sharon & Gary
